

**Summer means many different things to us Louisianians– whether it's fishing, splashing around in the pool, or a lazy float down a river, there's one thing we know for sure... it's HOT!**

Wet Hot American Pilsner is a buoyant golden brew with a light, crisp lager finish. This one is straight to the point– Pilsen malt permeates the base of the beer, with a hint of Maris Otter malt for an extra kick of flavor. German Noble Hops round out simple, but thirst-quenching and satisfying lager.

So kick back in that rickety old lawn chair that you've meant to throw out for ages and cool off with this perfect companion beer of Louisiana Summer!
