

# TIN ROOF BREWING COMPANY

An Out of  
This World  
Hazy IPA

**"Ya better hold the phone..."** Our brewers have concocted an IPA so bold and complex it could only be named Mean Green Mother!

Artfully inspired by Audrey II, our newest Spring Seasonal is the epitome of controlled chaos. Pilsen Malt and Flaked Oats build a foundation of blonde, pale base notes and a full, creamy texture. Dextrin Malt slides in with an earthy, smooth body, and Honey Malted Oats shine through with bold flavors of bread crust and sweet honey—but we're not done!

A triad of Loral, Wakatu, and Citra Hops burst onto the scene, each with a distinct profile detonating a blast of florals, bittered by earthy undertones and highlights of citrus and zesty lime.

Mean Green Mother Hazy IPA is the burst of colorful flavor and flashy attitude that pushes us into Spring—"We're gonna do things my way or we won't do things at all!"
