SOUR IPA

WITH BLACKBERRIES & LACTOSE

The blush of Spring ushers in renewal and reinvention. We're taking a cue from nature and making the familiar new again! Über IPA offers a modern twist on a fan favorite, Über Froot Blackberry Berliner Weisse, by combining the very best characteristics of our classic Sour Beer with the complex, bittering citrus and floral notes of a triad of hops.

Paired with lactose and blackberries, the hops impart citrus, berries, melon, pine, and florals and the souring process transforms this Über IPA into a velvety, berry-forward crowd-pleaser.
